The Information Centre is continuing to provide a good service, and most times are filled, but we could do with another couple of volunteers who may find it most rewarding.

The November meeting culminated in a visit to Clouds of Montville, who were happy to show our volunteers around their accommodation from the Motel both downstairs and upstairs, and the four lovely cabins at the rear, totally separated from each other, providing privacy and beautifully comfortable furnishings. It concluded with a delicious morning tea.

These 'famils' give volunteers a good insight into the various types of accommodation, and these together with visits to the various beauty spots of our area, provide us with excellent information we can pass on to visitors to our area.

Mapleton Community Library

Report for November 2009

Still collecting and sorting books for our booksale on Sunday 6 December.

We have applied for a Grant from the Gaming Authority to replace the carpet squares within the library.

Our Rug/Book/Wine etc. raffle was won by a delighted Deborough Loughman.

The Christmas raffle is a gold watch to be drawn on the 18 December.

Many thanks to members of the community for book donations received for the booksale.

On behalf of the Library volunteers I would like to wish you all Seasons Greetings and hope the new venue (the Hall) and Wednesday meetings help to encourage more memberships in 2110

HALL REPORT FOR MADCA
From
Mapleton Community Hall & Sports Ground Inc.

2nd December 2009

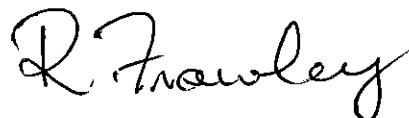

Our A.G.M. has been held with the only change being Elaine Chesters standing down due to ill health recently and Sharon Roberts taking her place as our new Treasurer. If anybody would like to bring up any subject that might have a bearing on the running of the hall we would be only too happy to discuss these issues at our next general meeting.

Our Christmas Cheer Raffle is coming along well and will be drawn on Friday, 18th December at the Mapleton Hotel.

The hall's Trivia Night will be held on Friday 4th December and tables have dropped to only 10. We usually have at least 14 tables so if anybody would like to come along and have a fun night they are more than welcome.

We are planning a Hawaiian Dinner Dance at the hall at the end of March next year and hope that everybody will support this event in the New Year. More updates on that one later.

We would like to wish all our hirers a very happy and safe Christmas and New Year and we sincerely thank the community for supporting their local hall throughout the year.

Trustees Forum:

- John spoke on Trustees role of managing & operating facility as per Trust Deed
- " mentioned that there's no "secretive business" as is occasionally suggested.
- " spoke of the criticism, condemnation etc. etc. that is sometimes heaped @ the Trustees (I add this comes from a very small minority; the majority accept & respect)
- " worthiness to community of having Trustees at the kiln
- continuity; stability; & resisting INCORPORATION
spoke of legal challenges early 1980's against trusteeship
- proven that Trust intact & Law abiding

Lindsay spoke of - suggested "System"
(public to report/request/suggest to Trustees
Trustees to instruct committee
" common % "

My comment:-

Difficulties can occur eg.

A Comm. Member has informed me that they don't intend to ask Trustees permission, but will tell them what's been done.

Rod spoke re-Trustees ability ^{& authority} to VETO any suggested developments etc. w/ facility.

Mark spoke re "DISMISSALS"
ability of Trustees to dismiss Comm. members.

he asked how Trustees can be dismissed

Eve Kerr suggested "SROOT THEM"!

- LINDREY proposed possibility of Centenary of facility - POSSIBLY TRUSTEES 1911.

POSSIBLY NEXT FORUM APRIL 2010.

- (4) Trustees approached by Charles Thompson re-mounting of SHAY SIGN at Hall
- (a) interior wall - (Rod, John & Lindsay not unfavourable)
 - (b) exterior wall (AT BACK under LEANTOO)

Rod & John have advised me that they're not available for a Trustee meeting until Jan 2010

Rod, John, & Lindsay ~~have~~ express their desire for some viewing & public consultation!
Don't know Mark's opinion -

Lindsay & Terry } attend Peabody Hall's
Ted McCosker } 120 yrs. of Trustees.

My opinion - great historical event
& of Trustees there who are committee etc etc
