## Mapleton Market Community Tent Application

Please read the Community Tent Guidelines on the following page to ensure your organization qualifies. Our community market committee will decide to say yes or no to your application. All applications will be considered. Preference is given to local clubs and not for profit organisations. Our guidelines are developing with each market. Check our website for more details. Photographs of the day will be placed on this website.

**Tent Fee: \$5 byo small table and chairs**

## Mapleton Market Community Tent Guidelines

Mapleton Market is a community run event held four times per year at the start of each new season. The objectives are to showcase and develop our community, businesses, talents, products, produce and services. We have a **maximum limit of 40 stalls**, including our Community Tent so it is **essential to pre book**. This application form can be downloaded from [www.mapletonmarket.net.au](http://www.mapletonmarket.net.au) or you can contact Cheryle on 0400-142 113 if you need it faxed.

- Non profit organizations who wish to access the Community Tent Facility must fill out this application form.
- A position in the Community Tent is \$5 and allows you to *promote* your organisation. Please pay on market day. Receipts will be issued for all payments. (If you wish, a full site, where available, can be purchased for \$15 for 3m x 3m - fill out Stall Holder's application). There is not room to sell products in the community tent.
- **Buskers** will not be charged fees but must fill out an application form and have a current Busking Permit from Sunshine Coast Regional Council.
- Selling of raffles is to be confined to the tent with consideration given to other groups sharing the space.
- Community Groups who have not booked may have the opportunity to participate if space is available. This is at the discretion of the committee.
- Community Groups are responsible for their insurance and applicable local/state government permits and/or licences.
- We will provide the tent. You must provide a small table and chairs as required.
- Selling of food and drinks (for consumption at the market) will not be considered. The Sausage Sizzle is exempt as it is our market's community fund raising initiative. Our local shops and cafes provide plenty of options for visitors.
- Non profit organizations are not required to hold a food licence unless this occurs more than 12 days each financial year. (see Council Guidelines) Stall holders are required to serve/sell food in a safe manner in accordance with National Food Safety Standards.
- Please clear up your area at closure of the market, taking all rubbish with you.
- You must not damage the market site or release liquids or other wastes which would damage the environment. (see Council Guidelines).
- Please be set up before 8am and remain setup until 2pm. **Market trading hours**, set up and pack up times are to be **strictly adhered to**. (See Council Regulations).
- No vehicles are allowed on the grassed area of the Lily Ponds. (Council Guidelines).
- **Vehicle access** to Fish Tales car park is restricted to before 8am and after 2pm.
- Limited **Parking for stallholders** is available at the rear of the shops. Parking in the Bowls Club or Hotel car parks is not permitted. Plenty of parking available in the sports field at the rear of the Hall in Obi Obi Road for a gold coin donation. (Weather permitting).
- The market committee is keen to hear your suggestions for enhancing our community market.
- If we accept your application, your group can advertise on our [www.mapletonmarket.net.au](http://www.mapletonmarket.net.au) web site for free! Other stall holders pay \$10 per year.
- Any questions, just ask!
